### ARRIVAL OF COUNTER PROTEST GROUP:

Shortly before 1100 hours, the counter protest group arrived at the State Capitol and started approaching the event by walking down the center walkway towards the Austin Blair statute. Sergeant Henriquez advised that they were not allowed to disrupt the event in any way shape or form and advised to keep their distance from the event. An unknown white female, (later identified as Eleanor Canter) advised that this was not okay to do and that they were going to go take their seats next to the stage.

### EVENTS OF THE COUNTER PROTEST GROUP:

At this time Sergeant Held approached the group at the Austin Blair statue and provided the group with a copy of the State Capitol rules. Held also advised that this was a reserved event. As Sergeant Held started to explain to them the areas that were reserved, an unknown white, visually impaired male (later identified as Paul Joseph Harcz Jr.) interrupted him and asked who he was and what he was handing out. Held proceeded to identify himself as "Sgt. Jeff Held of the Michigan State Police."

Eleanor Canter stated that her group was not there to do "anything violent." Canter stated that they were "only there to use their voices and we have not even done anything yet." Sergeant Held advised the group that they were allowed to use their voices at the Austin Blair statue. When Canter asked Held if they were allowed to go into the event, Held advised that they could not, but were allowed to protest at the Austin Blair statue. At this time, Harcz Jr. started to get verbally aggressive and the rest of the counter protest group started to protest and chant, "You can't block us" and "Let us in!"

At approximately 1101 hours, Sergeant Held instructed Officers Cook, Munoz, Davis, Thomas, and myself (Officer George) to stand in a line to prevent the counter protesters from disrupting the event. For the next several minutes, the counter protest group protested with loud chants in an attempt to overpower the speakers that were addressing the event. At the end of the chant, Harcz chanted, "Let us in you son of a bitches!" The counter protest continued to chant for several minutes in another attempt to over power the speakers at the event.

At approximately 1105 hours, Harcz speaks to Canter and tells her that he is "Going to see if he will arrest me." A few seconds later, Harcz then turns towards Canter and says "Are you ready, I am going in." Harcz then turned to the counter protest group behind him and yelled, "Anybody want to go in?" Harcz then turned back towards my direction and says, "If this cop arrests us, then he is in violation of our civil rights. He is in violation of everything." Harcz then went on to say, "All right you ready? Lets roll."

Canter then proceeded to ask if we wanted to talk about this one more time. While Sergeant Henriquez was explaining to Canter that they are allowed to be on the grounds of the State Capitol, but they are not allowed to be in the event and be disrupting, I overheard an unknown white male tell Harcz that he needed to "wait for the reporters to get here." Harcz proceeded to be verbally aggressive towards Sergeant Henriquez about how the Michigan State Police were violating his civil rights.

At approximately 1107 hours, Harcz states, "Okay, I am just going. If they arrest me, fuck them!" Canter then says to Harcz, "Okay Joe, good luck!" It is to be noted that Harcz was called Joe by his fellow counter protesters. Harcz then proceeded to push past me several times before asking Canter if she was "filming this." Once Canter stated that she was, Harcz attempted to push me out of the way by using his body aggressively. Once Harcz realized that he was not going to break the line with me, he attempted to do the same thing with Officer Davis. At this time, Harcz became very agitated and yelled, "Don't block my access." The counter protest group then started the chant of "Shame on you," when I heard Harcz call one of the officers on the line a "fucker."

At approximately 1110 hours, a white gentleman videotaping the incident with his Apple iPhone (identified by the group as Brian Dian), asked Sergeant Henriquez who the commanding officer is. Sergeant Henriquez advised that he would get a hold of the commanding officer. A short time later, Harcz turned towards Canter and told her that he was going in. He then stated that he wanted to do it and to let them do it. Harcz then stated that "these bastards are blocking my civil rights."

At approximately 1115 hours, the counter protest group started several loud chants in another attempt to disrupt the speakers at the event. When one speaker made a comment about getting a photo with your friends, Harcz yelled, "Screw your photo. How about you take a photo of this." At this point, Harcz lifted up his left arm and gave the speaker the middle finger.

At approximately 1119 hours, the event started to play the National Anthem and the counter protest group started chanting very loud to disrupt the event. At this time, we placed two metal barricades between us and the counter protest group. The counter protest group continued to chant very loud during the duration of the National Anthem. At one point a member of the event came up to the counter protest group and told them that they were being very disrespectful. Brian then yelled, "Fuck you! Our civil rights are being violated."

For the next several minutes the counter protesters continued to protest and chant extremely loud everytime a speaker got up on the stage. At approximately 1123 hours, Harcz turns to Canter and says, "Fuck it. I'm going." Canter then replies, "I doubt it. They put up a bunch of barricades." At this point, Harcz takes his cane and realizes that a barricade was put into place. Harcz becomes very agitated and yells, "Tear down the barriers. Tear down the barriers. Tear down the barriers. Tear down the barriers."

At approximately 1124 hours, Harcz turns towards Brian and asks him, "Are you filming?". Brian then replied, "Yes" and Harcz stated, "I'm going. Fuck it. You can't stop me from going." At this point Harcz walks towards the barricades with aggression in an attempt to get through. Harcz finds the end of the barricade, nearest the Austin Blair statute, and uses his body and arms to push me out of the way. It is to be noted that Harcz is now on the same side of the barricades as the Capitol Security Officers.

As I hold on to the barricade with my left hand, Harcz becomes more aggressive and attempts to push his way passed me again. At this time, Sergeant Henriquez approaches Harcz and tells him repeatedly that he is not going to be disruptive to the event. Harcz then pushes Sergeant Henriquez out of the way in an attempt to get passed the remaining Capitol Security Officers. At this time, Sergeant Henriquez grabs a hold of Harcz left arm to arrest him for assaulting two police officers and Harcz begins to resist. Officer Davis then used his

hands to block Hartz from swinging and hitting him with the cane. Officer Davis then grabs Hartz' right arm to remove him from the crowd and barricades.

Once away from the barricades, Officer Thomas grabbed ahold of Hartz' left arm so that Sergeant Henriquez could handcuff and double check tension. Once Hartz was secured in handcuffs, Officer Davis and Sergeant Henriquez attempted to walk Hartz into the State Capitol. However, Hartz decided not to cooperate with commands and dragged his feet, making it difficult for Sergeant Henriquez and Officer Davis to escort him into the State Capitol detachment office. The counter protesters continued to protest until approximately 1400 hours without any further incident.

#### IMPLEMENTATION OF BARRICADES:

The implementation of the barricades were due to the fact that the Michigan State Police is responsible for providing a safe environment at the State Capitol for all individuals wishing to express their Constitutional rights of free speech. Due to safety concerns for the event, barricades were utilized to keep opposing groups separated, while allowing all in attendance to safely express their views. It is to be noted both groups were provided with sight and sound accommodations.

## RESISTING & OBSTRUCTING POLICE

### SUMMARY:

On Thursday, September 17, 2015 at approximately 1045 hours, I (Officer Davis) was patrolling the south lawn of the State Capitol when a counter protest group known as ADAPT attempted to disrupt the ADA rally at the State Capitol. PAUL JOSEPH HARCZ JR was arrested for Resisting & Obstructing police.

### SECURING PROTEST GROUP:

While patrolling the south lawn of the State Capitol, I was asked by Sergeant Held to assist with keeping ADAPT and ADA groups separated. Held advised the group they were not allowed to enter the rally past the Austin Blair statue; however, they were still allowed to be on the Capitol grounds. Not being allowed to enter the rally upset the ADAPT group. They became very vocal yelling obscenities and chanting.

At one point, HARCZ became very agitated and stated, "I am going to push past the State Police even if it means I will be arrested." HARCZ made a gesture several times as if he was attempting to push past the barricaded line the State Police set (let it be known that HARCZ is legally blind). At one point, HARCZ was yelling at the State Police to move out of his way. While yelling, he was using his cane to feel the barricaded line the officers set. HARCZ then was taking his cane and hitting it between the officers legs and walking into them to feel where we were standing. As HARCZ approached me, I used my hands to stop him from walking into me.

### METAL BARRICADES SET:

As the protest group became more agitated, Capitol Facilities retrieved metal barricades for us to set between the ADAPT protest group and the barricaded State Police Officers. When HARCZ realized metal barricades were set, he exclaimed he was "breaking through and it doesn't matter if I am arrested". At that point, he tried to push the barricade out of his way. Through verbal commands by Officer George he was told multiple times not to move or go through the barricades. HARCZ started attempting to move the barricades, and when he realized the officers were holding the barricades from moving, he attempted to walk around the barricade. As he was attempting to walk around the metal barricade, Officer George stepped in front of HARCZ to stop him. HARCZ then started walking through the flower bed attempting to get past Officer George. When HARCZ realized he wasn't going to make it, he pushed Officer George, trying to get past him. As HARCZ was pushing Officer George, Sergeant Henriquez directed us to arrest HARCZ. Sergeant Henriquez and I took control of HARCZ and placed handcuffs on him.

**ARRESTED:**

Sergeant Henriquez placed handcuffs on HARCZ while I held HARCZ in place because he was resisting. Henriquez checked tension and double locked the handcuffs per Michigan State Police Official Orders.

Sergeant Henriquez instructed that we take HARCZ to the North entrance and into the State Capitol Detachment Office. As we were escorting HARCZ to the State Capitol, HARCZ decided he was not going to cooperate and started to drag his feet in an effort to make it more difficult on Sergeant Henriquez and myself.

**SEARCHED:**

Once we were in the State Capitol Detachment Office, I searched HARCZ to be certain he did not have any weapons or contraband on him.

**DETAINED:**

HARCZ was arrested and detained in the State Capitol Detachment Office for the remainder of the event. It is to be noted that HARCZ was being detained in the State Capitol Detachment Office while efforts were being made to ensure the correct documentation was provided, due to HARCZ' being visually impaired.

HARCZ was complaining his cuffs were hurting his wrists and his back condition. With authorization from F/Lt. Jason Williams, I moved HARCZ' handcuffs from behind his back to the front. HARCZ advised he was comfortable from that point.

F/Lieutenant Williams asked HARCZ if he needed any medication or special equipment and he advised he did not.

**BODY CAMERA FOOTAGE:**

The event was recorded using Body Camera #19.

Open - pends Ingham County Prosecutor's Review.
